

DONLEY WILLIAMS, department store manager, declares he had a new demonstration of reciprocal or turn-about hospitality first of the week.

He reported that as he came toward town the other evening on his way to a visit south of town he picked up M. M. Cade, new member of the Hamlin police force, and brought him downtown to go on duty for the night shift.

Then, two hours later Cade "picked him up" as he came back into town. The officer was stopping Williams for operating his car with only one headlamp.

"We've always heard that turn about is fair play, Donley."

IN A REMOTE country village there lived a poor woman who found it necessary to cross a certain bridge every day in order to earn her livelihood in the next village. One day, as she was about to cross, she was approached by a stranger who promised her riches if she followed his directions.

"Take this charm," he said, "and you'll find that each time you cross, your money will be doubled. At the end of each day I'll be waiting for you to pay me one-half the money you then possess. But the charm will bring you this luck for only three days. Then you must return it to me or ill luck will befall you."

After three days, the stranger had collected 14 times as much money as the woman had had originally, while she came out \$7 richer.

Could you find out how much the woman had originally and the amount the stranger was able to collect?

Puzzle Answer: She originally started with \$1, while the stranger collected \$2 at the end of the first day, \$4 the second day and \$8 at the end of the third day—or \$14 total.

OTTIE HULING, long time cafe man and cook, will tell you he likes his meat well done—but there's a limit to even that extreme.

Last Thursday, while he had a batch of stew meat on the stove, a friend came by his house and invited him to go over to Stamford—just for the ride. Oattie graciously accepted.

When he returned several hours later he found that the volunteer fire department had made a call at his place—to extinguish flames and release smoke at his house. Fortunately the firemen had saved the house, but not the stew meat.

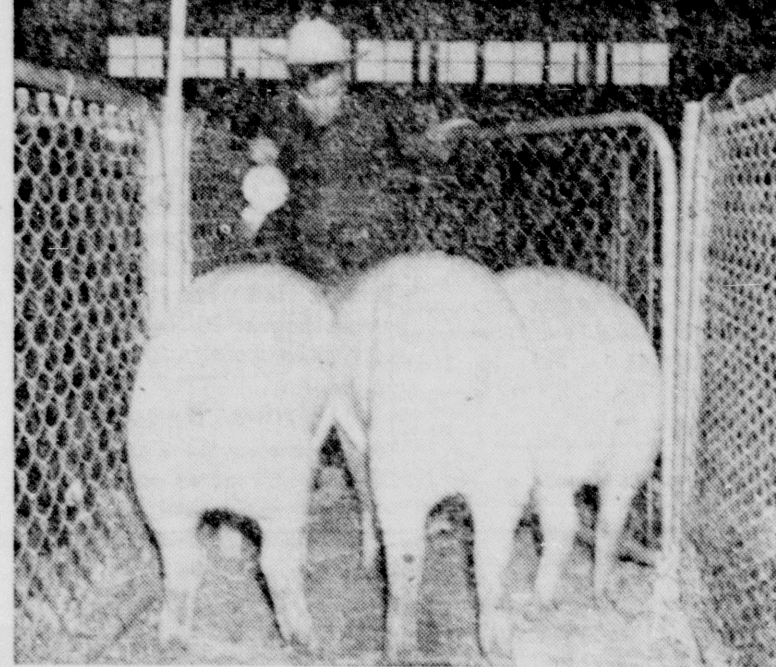

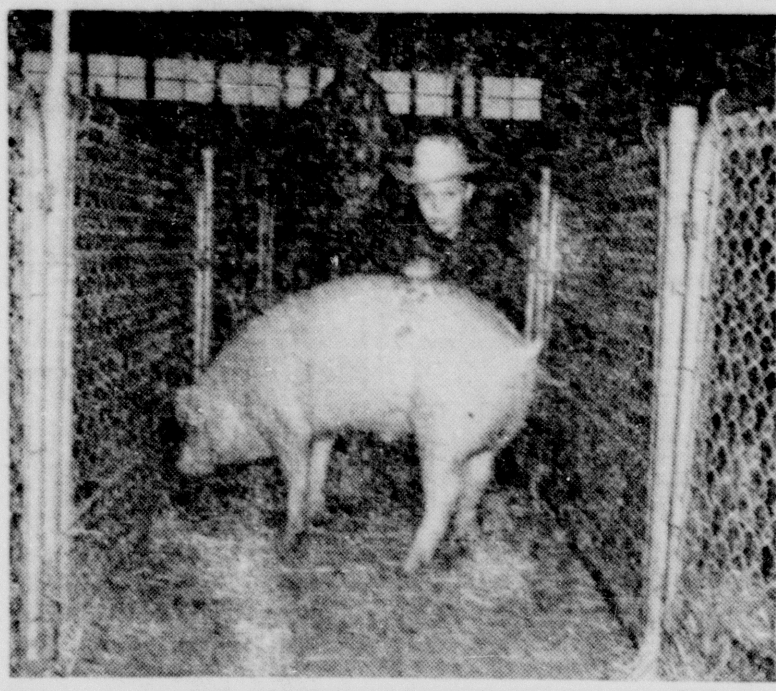

"That meat was just a mite browner than I like it," Oattie confessed. His house still smells like he was one of the Smoky Mountain boys, Oattie says.

REV. LENARD HARTLEY, new pastor of the First Baptist Church, in prefacing his remarks at the Tuesday noon luncheon of the Hamlin Lions Club, declared that reading and speaking from the Bible reminded him of a story.

When a preacher some time ago said he was safe in quoting from the Bible a friend agreed by saying that: A speaker fair would speak about history, because some of his hearers might know more history than he; he hesitated to talk about science because many people know more about that subject; and agriculture was a poor reference because most people know more about that topic. But he could safely quote from the Bible because so few people know very much about the Good Book.

THE COUNTRY PARSON

"We hold memorial services for lots of folks who can't see anything wrong with speeding if the highway patrol can't catch them at it."

These are the white pigs with their Hamlin 4-H Club boy owner. At least, that's what the judge of Abilene Regional Livestock Show thought. Gilbert Lain, son of Mr. and Mrs. Dale Lain, is shown in the upper picture with his Chester White barrow that was judged reserve champion of the show. In the lower picture Gilbert is shown with his pen of three barrows that took first place in their class and also reserve champion of the show for pen of three.

Trouble Develops In Area Beer Sales

First major trouble to develop in the Old Glory precinct in Stonewall County, north of Hamlin, in connection with the sale of beer in that area has resulted in the fining of two operators and four minors, according to announcement of Gene McNeely of Stamford, representative of the Texas Liquor Control Board.

Two operators plead guilty last week in county court to a charge of sale to minors and were fined \$100 and costs each, the LCB man said.

Also charged were the four minors who entered pleas of guilty in justice court and were meted out fines of \$10 and costs each. The charge was minor in possession of beer.

The fines in each case were the minimum, McNeely declared.

Meanwhile, McNeely said an administrative charge will be lodged against the two operators involving licenses at their places of business at Old Glory.

The precinct voted wet late last November.

The wet Stonewall County precinct extends to within four miles of Hamlin on the north. Three places of business for selling of beer are located just over the county line on the Hamlin-Aspermont highway.

Safety Record of 1,001,390 Man-Hours Without Loss of Time Set by Celotex

Employees at the Hamlin plant of the Celotex Corporation have worked 1,001,390 man hours without loss of time due to an injury, this week reports J. A. Howard, personnel manager at the plant.

"There are very few plants such as ours, with as much moving machinery and equipment and handling of materials that ever accomplish this feat," Howard declares.

"We are extremely proud of each and every employee for doing his share in making this accomplishment possible."

National Safety Council facts show that for each 1,000,000 man-hours worked there will be an average of six lost time injuries amounting to 121 days lost time.

An all-time safety record of 1,012 days since the last lost time injury was reached January 27, reports Howard.

D. W. Cowan, plant manager, and the Celotex plant safety committee have set a new goal of 2,000 days and 2,000,000 man-hours to reach without a lost time injury.

"We challenge every employee of Celotex to become more safety conscious and know that each employee will do his share in making his plant a safer place in which to work, and to always remember to 'work today the safest way,'" states Manager Cowan.

Three File on Last Day to Complete County Ballot

March of Dimes to Be Climaxed With Porchlight Drive

Response to the current March of Dimes campaign in the Hamlin community continues to be fair, according to tabulations made middle of the week by Marvin D. Carlton, campaign chairman.

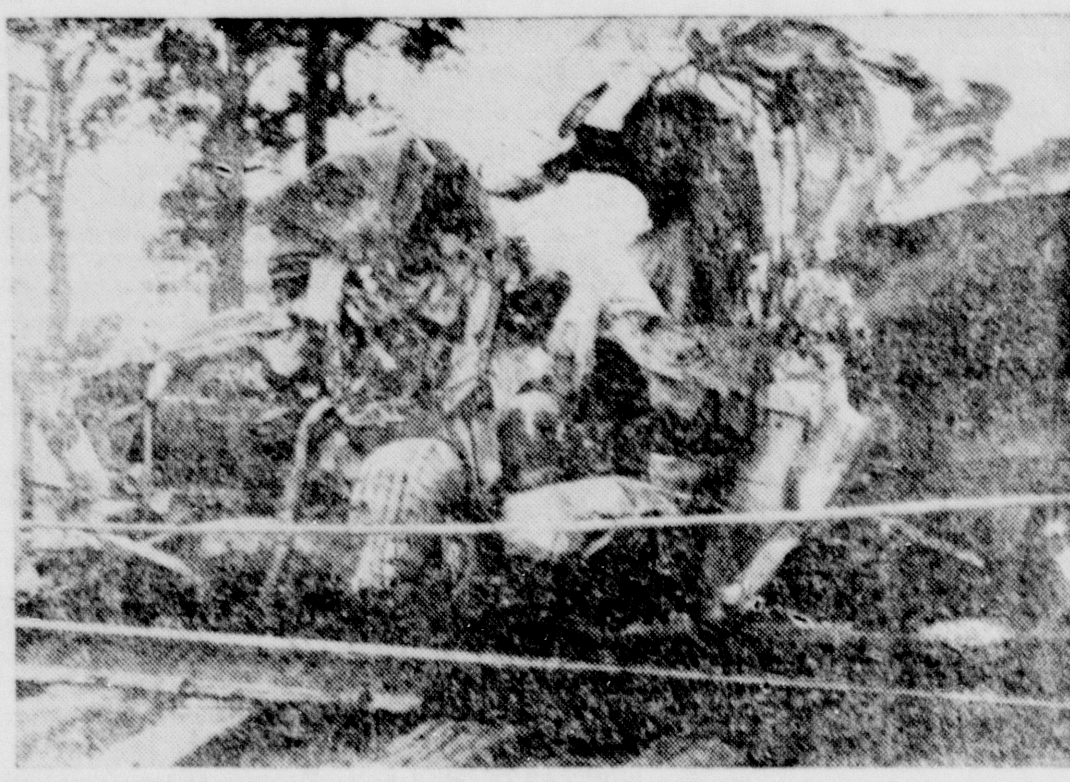

No totals had been made on receipts for the fund drive, because so many projects were in the process or planned for the next several days, Carlton said. He declared the 1960 drive will be wound up within about 10 days.

In addition to previously reported traffic blockade revenues, Carlton this week reported that \$174 was raised Saturday by girls of the Camp Fire Girls units on downtown business streets Saturday in the sales of ballcons. Mrs. E. D. Perrin directed the girls in their project.

At benefit basketball games sponsored Saturday night by the High School Student Council nearly \$50 was raised. Total of \$39 was raised as game admissions, and the senior class group contributed one-half of the concession stand profits totaling \$8.35 to the March of Dimes.

Coin cards distributed early in the campaign to school students continue to be returned filled in a steady stream, Carlton reports, and others are expected before the drive is concluded.

Climax of the March of Dimes in Hamlin will be reached tonight (Thursday) when members of the Parent-Teacher Association conduct their porchlight campaign. The campaign will begin at 6:30 under the direction of Mrs. George Poe. Those desiring to contribute to the March of Dimes are asked to turn on their porchlights when the fire siren sounds, and solicitors will call at the lighted doors in a house-to-house canvass.

TRUCK WRECKAGE—Luther H. Holland, father of six children, was killed instantly when his water truck and a freight train collided in North Houston. Sheriff's deputies said the truck struck the second car behind a three-section locomotive of the Rock Island freight train. Holland still sits in the driver's seat in this picture.

Longley Enters Sheriff Race, and Reid Announces

Three more contests developed in political races in Jones County during the final day before the official closing of filing time late Monday to add interest to the forthcoming Democratic primary election on Saturday, May 7.

County Democratic Chairman Bland Harper reported that Bill Longley, Stamford coffee shop operator, tossed his hat into the race for sheriff Monday. He will oppose Dave Reeves, who is serving his second term. Reeves had announced for reelection in December.

Two new precinct candidates also filed Monday for places on the primary ticket. Burnla Reed, Hamlin farmer, had his name put on the ballot as a candidate for county commissioner of Precinct No. 1. Johnnie Agnew of Hamlin, serving his second term, previously had announced for reelection. Claude Chadwick, former Anson policeman, filed as candidate for constable of Precinct No. 1 at Anson.

With these three new candidates the primary ticket for district, county and precinct offices this year will look like this:

For District Judge—Owen Thomas of Abilene (reelection).

For Congressman—Omar Burleson of Anson (reelection) and Roy Skaggs of Abilene.

For State Representative—Leon Thurman of Anson (reelection) and Keith Wheatley of Stamford.

For District Attorney—Tom Todd of Abilene (reelection).

For County Attorney—Charlie Brownfield of Stamford (reelection).

For Sheriff—Dave Reeves of Anson (reelection) and Bill Longley of Stamford.

For Tax Assessor-Collector—L. B. McNeil Jr. of Stamford, A. J. French of Tuxedo, Larry Holmes of Anson and Mrs. Charles W. Scott of Nugent.

For Commissioner of Precinct No. 1—Johnnie Agnew (reelection) and Burnla Reid of Hamlin.

For Commissioner of Precinct No. 3—Lem Ruark (reelection) and George R. Young.

For Constable of Precinct No. 1 (Anson)—A. J. (Arthur) Thompson and Claude Chadwick.

Banquet Speaker Challenges People to Grasp Opportunities

Cub Scouts Slate Annual Blue-Gold Banquet Monday

About 100 attendants are expected next Monday evening at 7:30 o'clock in the Primary School cafeteria when Cub Scouts of Hamlin community, their parents and a number of invited guests meet in their annual blue and gold banquet to celebrate the fiftieth anniversary of the Boy Scouts of America, declares Eugene Knabel, Cubmaster.

The affair, replete with a colorful array of decorations and a special program, is being arranged by den mothers and other leaders of the young Scouts of the community.

Following the invocation by Rev. Edmund W. Robb, pastor of the First Methodist Church, a group of awards won by the Cub Scouts will be presented by Cubmaster Knabel.

After the banquet dinner a film on sports will be shown to the group. The film is being furnished through the courtesy of the Shell Oil Company.

Special guests of the evening will be George Batenon, Scoutmaster of Boy Scout Troop 43; and Orville D. Roland, manager of the Hamlin Board of Community Development.

There's a man with the angles for every girl with the curves.

SPEAKER Sunday morning at the Hamlin Church of the Nazarene will be Maxine Alexander (above), returned Nazarene missionary to Guatemala. The public is invited to hear her stories of work in the Central American country.

Teamwork and Financial Backing Necessary Action

George Jordan, former Chamber of Commerce manager and now a businessman of Brownwood, Friday night challenged people of Hamlin community to grasp their opportunities and make Hamlin one of the busy spots of growth in the area picture during the sixties decade. He was principal speaker at the annual Board of Community Development banquet that attracted more than 400 citizens of the area to the new high school gymnasium.

"You have the resources, the economy and the geographical location for going forward—if you but seize your opportunities," declared the spirited speaker in the address that fired new enthusiasm in the hearts of attendants for their community.

Jordan pointed out that opportunity is not security (you can get security at the Huntsville penitentiary)—but is taking advantage of chances of progress as they appear on the scene. He tactfully took a placard bearing the word "Opportunity" and showed that "unity" is definitely a necessary ingredient. Then he folded the placard further to reveal that you and I ("uni") likewise are component parts of his topic for the evening.

The former CC man urged greater support for the Board of Community Development of individuals with teamwork, ideas and financial backing. "Support BCD with how much money?" he asked. "To the point that you feel good about it!" he answered the query.

Jordan compared the fight for progress at Hamlin to a football game. "Your new President B. V."

Voting Strength in County Due to Reach Probable 4,500 High

Number of folks in Jones County qualified to vote in elections of the year approached old time record highs this week, according to tabulations made Tuesday by Ima E. Dougherty of Anson, tax assessor and collector.

After a slow start before the first of the year, interest in voting apparently was kindled during January by several organizations in the county that conducted get-your-poll-tax-receipt campaign and publicity.

Up to noon Tuesday 4,096 poll taxes and exemptions had been counted at the collector's office, and Miss Dougherty asserted that the total would probably go over 4,500 when mail applications have all been issued.

Total of 2,453 poll taxes and 20 exemptions were issued for 1959.

McCaulley Seniors to Sponsor Chili Supper

Members of the senior class of McCaulley High School are sponsoring a chili supper tomorrow (Friday) evening, beginning at 6:30 o'clock in the school cafeteria. The menu will consist of chili and beans with crackers, tea or coffee, and pie with ice cream.

Attendants will be charged 50 cents for adults and 25 cents for children, for all one can eat.

Funds raised at the supper will be used for the annual junior and senior trip at the close of school, senior class officials announce.

Andrews Man to Lead At Assembly of God

Rev. W. M. Bozeman of Andrews will be the evangelist in a series of revival services beginning Sunday, February 7, at the Hamlin Assembly of God Church, according to Mrs. W. G. Miller, pastor of the church in South Hamlin.

Services will be conducted each evening at 7:00 o'clock, and the public is invited to attend, members of the congregation announce.

Next Thursday, February 11, the congregation of the Assembly of God will observe an all-day fellowship meeting, Mrs. Miller declares.

Who's New This Week

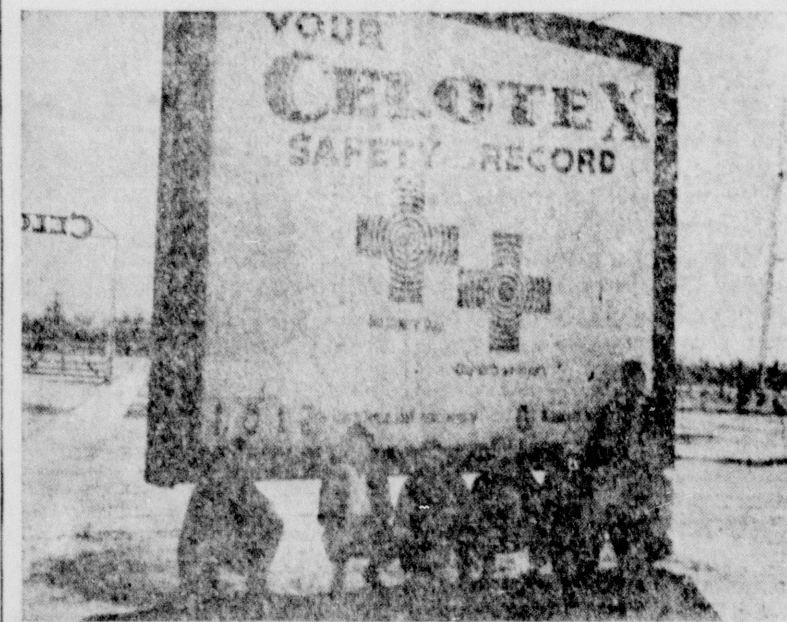

Mr. and Mrs. S. T. Constantine of Midland are announcing the arrival on January 8 of a new son, who weighed six pounds 15 ounces at birth. He has been named John Agnew. Mr. and Mrs. Johnnie Agnew are maternal grandparents.

Mr. and Mrs. J. R. Rhoton of Abilene are entertaining a new daughter, who arrived January 27 at Hendrick Memorial Hospital. Weighing six pounds two and one-half ounces, the youngster has been named Joe Martin. The mother is the former Nona White, and the father is the son of Mr. and Mrs. J. R. Rhoton Sr. of Hamlin.

Two new citizens have been recorded at the Hamlin Memorial Hospital since last report in The Herald. Both girls, they are:

A girl for Mr. and Mrs. Charles Clark of Aspermont was born January 27. Weighing an even eight pounds, the little miss was named Cheryl Lynn.

A girl for Mr. and Mrs. Emmitt McPherson arrived January 17. After having her weight tabbed at eight pounds three ounces she accepted Rosie Jean for a name.

AN ALL-TIME SAFETY RECORD totaling 1,012 days has been set with conclusion of 1959 by employees of the Hamlin plant of the Celotex Corporation. The nearly three years without a lost time injury represents over 1,001,390 man-hours worked. Pictured above by the Celotex safety sign is the plant safety committee composed of (left to right): H. H. Ray, electrician; J. A. Howard, personnel manager; M. B. Harmon, quality control engineer; W. C. Lockhart, maintenance standing; D. W. Cowan, plant manager; L. E. Madden, board plant superintendent; and Adele Dixon, plant nurse.

COMMUNITY CHEST STILL IS SORELY NEEDED

With recent completion of several fund drives, and plans for some more in the near future in the Hamlin community, the need for revival of the Community Chest plan of caring for several money raising campaigns through one major drive each year has been emphasized.

Three years ago a committee was named to check several cities of comparable size and means who had conducted Community Chest drives or other similar campaigns to raise funds for combined charities. The committee made several trips and compiled some data that was turned over to the near dormant Hamlin Chamber of Commerce. Because the civic organization had no manager, the matter was shelved. In the meantime the chairman of the committee has moved from the community.

Now the Board of Community Development (the revamped Chamber of Commerce) has a manager. He has organized the material, and has some splendid ideas of his own, so the time seems ripe for us to do something about getting the project underway.

There are many logical reasons for conducting an all inclusive, concerted Community Chest or United Fund or other such fun raising campaign: A single drive, well organized and thoroughly carried out will save time of those usually called on to conduct the drive—one effort instead of nearly a dozen drives that

many times are haphazard and are burdensome to a few; more people can be included in a community-wide campaign, widening the participation; charities can be allotted their rightly share of the total—some need a bigger share than they get and some probably need less; a sizeable gift can be better handled through income tax deductions, etc., and book-keeping would be reduced, to say nothing of check writing.

A current magazine article also discusses the myriad number of illegitimate campaigns, and urges donors to investigate before they give. The Community Chest would permit ample investigation of solicitors who come into the community in droves, saving donations to individuals who cannot present proper credentials, etc.

Most charities are honestly run, the article notes, but frauds still thrive. To reduce the possibility of donors being taken in, the article suggests these "don'ts": Don't give to any organization sending unordered merchandise through the mail; don't give to a telephone solicitor unless he sends complete descriptive material; don't give to street collectors without being sure of the cause they represent; don't give to a solicitor who insists on immediate cash rather than a mailed check; don't give to a charity that won't mail an audited report on request.

Lions' Project for Kids

Lions Clubs of Texas, including the Hamlin group, recently drew special attention to their camp for crippled children which has given 4,284 handicapped youngsters a summer full of fun since it was created.

Special programs were held by the clubs to honor the Texas Lions League for Crippled Children, which was founded 10 years ago to give the blind and mute, deaf and crippled children a camp of their own.

The camp was opened in 1953 and now it serves 720 handicapped youngsters with two weeks crammed with camping fun each summer.

Located at Kerrville, the unique camp has attracted nation-wide publicity with its program of free camping activities for the handicapped between the ages of seven and 16.

The camp now is in use the year around. For the past three years the camp has been used during the other months as a training center for the adult blind. It is one of 13 such centers in the nation.

The camp, which represents an investment of more than \$600,000 in 16 buildings on 504 hillside acres, is supported by Lions and their friends through dues, gifts, endowments and special projects.

Nuggets of Thought

Culture avails nothing unless it ennobles and strengthens character.—W. Somerset Maugham.

The highest purpose of intellectual cultivation is to give a man a perfect knowledge and mastery of his own inner self.—Novalis.

School examinations are one-sided; it is not so much academic education, as a moral and spiritual culture, which lifts one higher.—Mary Baker Eddy.

Cultivation to the mind is as necessary as food to the body.—Cicero.

The acquiring of culture is the developing of an avid hunger for knowledge and beauty.—Jesse Lee Bennett.

Every man's ability may be strengthened or increased by culture.—John Abbott.

Decision is a sharp knife that cuts clean and straight; indecision, a dull one that hacks and tears and leaves ragged edges behind it.—Gordon Graham.

Obstinacy and vehemency in opinion are the surest proofs of stupidity.—Bernard Barton.

Stimulus Was Gone

A story is told of a famous artist who painted a great picture. It was the finest work he had ever done, but one day he was found weeping beside his masterpiece.

"What is the trouble?" he was asked. "Aren't you satisfied with your picture?"

"Yes," he replied, "that's just what the trouble is—I am satisfied."

He knew that being satisfied, he would never do better work; his ambition would wane; he would begin to slip, and the future would no longer be a period of increasing greatness as an artist.

It meant that the stimulus for improvement had gone and the joy of doing better work would be no more.

The climb up the hill, the effort to do, the struggle to accomplish, is what brings to us our greatest and most enduring satisfaction, without which life is worth little. There is more fun in chasing the fox than in capturing it, the saying goes.

The loafers, the drones who sit around and do nothing, are the miserable ones of the earth. They never experience the joy of doing something of permanent value.

Editorial of the Week

HOW'S THAT AGAIN?

The hallowed halls of learning, of all places, have turned up with a challenge to government gobbledegook, the art of phrasing thoughts in the most incomprehensible manner.

Origin of the challenge is a Scottsdale, Arizona, high school. When the principal of the Scottsdale school issued a bulletin to explain how a student might qualify for the honor roll, his communique riddled government jargon at its best.

Said the principal's bulletin: "A student whose average exhibited performance in all credited subjects in relation to the performances of all other students falls at a level which places him (or her) on the normal curve of probability at a point falling on the plus side of the mean and between the second and the third standard deviations will have made honor roll—first class."

Whew! Any student able to interpret that announcement at one reading should automatically qualify for honors, exam results notwithstanding.—Savannah Morning News.

RECALLING Other Years

★ Being news items taken from old files of Your Home Town Newspaper The Herald.

FORTY YEARS AGO

Scanning the old files of The Hamlin Herald, we find the following items of interest, taken from the issue of February 6, 1920:

Charles Robinson, who was carried to Abilene about two weeks and underwent major surgery, was reported in serious condition on Thursday. W. R. Townsend and Charles' little boy were called to Abilene Thursday.

Recent sale of the Bowen-Dolan Drug Store to R. L. Walker and C. B. Cook was announced over the week-end. The two new owners are well known young men of the community who have been behind the counters of the store for some time. The former owners are retiring.

R. S. Baxter and wife, recently of San Angelo, are now making their home in Hamlin. He is roadmaster of the Orient Railway from Hamlin to Altus, Oklahoma. He replaces Mr. Poon, who has been transferred to the south end of the line in far Southwest Texas.

An influenza epidemic in this part of West Texas has many of our citizens in bed this week.

THIRTY YEARS AGO

Among news items of interest in the Hamlin community three decades ago were the following, reprinted from the issue of The Hamlin Herald dated February 7, 1930:

Deposits at the First National Bank at the close of business December 31, 1929, totaled \$453,993, according to the latest official statement.

A cold spell that hit the community beginning January 7 and persisted for about 10 days, left burst water mains and pipes all over town. It was the worst cold spell experienced in the region in many years, say old-timers.

Arlie Castle of Midland spent the week-end with his parents, Mr. and Mrs. H. O. Castle.

More than 200 people are expected to attend the annual banquet of the Hamlin Chamber of Commerce Friday night.

Mr. and Mrs. O. L. Taulman of Breckenridge spent the week-end with their parents, Mr. and Mrs. W. W. Green.

TWENTY YEARS AGO

Taken from the early files of The Hamlin Herald are the following news briefs of a score of years ago, reprinted from the issue of February 3, 1940:

State Highway Commission Chairman Brady P. Gentry will be the speaker at the annual banquet of the Hamlin Chamber of Commerce, Monday evening at the First Methodist Church basement.

Information is that Mrs. T. R. Tegart who recently underwent major surgery in a Sweetwater hospital, is steadily improving.

Texas pioneer orator, J. H. (Cy-clone) Davis, died last Wednesday. He was known to a number of Hamlin area people.

Feature numbers at the Hamlin High School Band concert last Wednesday were given by Teddy Russell, John Henry Vaughan, Bob Jack Low, Apollo Nunez, Joyce Hudson, Ellis Benham, Hazel Adkins and Herbie Faye Johnson.

TEN YEARS AGO

News briefs of interest of 10 years ago included these, taken from the issue of The Hamlin Herald dated February 3, 1950:

A \$120,000 house building project is planned in Hamlin by Fred Jay.

Twenty-one tractors were on the job Friday in the Swedonia community as neighbors worked the G. W. Joplin farm. Joplin has been ill in the Callan Hospital at Rotan.

Bids will be let Saturday for an 11-room addition to the Hamlin Memorial Hospital.

Jones County's cotton crop for 1949 may hit 90,000 bales, government reports indicate this week.

FIVE YEARS AGO

From The Hamlin Herald dated February 4, 1955, the following news briefs are reproduced:

Rev. Woodrow McHugh, pastor of the Blackwell Baptist Church, has accepted the pastorate of the North Central Avenue Baptist Church. He succeeds Rev. Miles B. Hays, interim pastor.

New water filtration plant for the City of Hamlin has been given final approval by Freese & Nichols, engineers hired by the city to supervise the project.

Fifty-seven new street lights for the residential areas and the City Park have been approved by the City Council.

Self Employed Farmers Have Choice In Manner of Filing Income Returns

Self employed farmers who report their earnings on a calendar year basis have a choice of due dates for filing their income tax returns and paying the social security tax, R. R. Tuley Jr., district manager of the Abilene social security office, said this week.

A farm operator may either file his return and pay the tax on his 1959 earnings on or before February 15, 1960, or file an estimate of his tax and pay this amount by January 15, 1960. If he chooses to file an estimate he can then file his return and pay any balance due by April 15, 1960.

Only total earnings up to a maximum of \$4,800 a year should be reported for 1959. The social security tax on 1959 self employment earnings is 3% per cent. While the social security tax goes up to 4% per cent on self employment earnings on January 1, this increase will not affect the farm operator's report on his 1959 earnings.

Tuley pointed out that only total earnings up to a maximum of \$4,800 should be reported. For example, if in addition to his net farm earnings a farmer has non-farm wages from covered employment, and those wages amounted to less than \$4,800 in 1959, the farmer will pay the social security self employment tax only on that part of his net farm earnings necessary to bring the total up to \$4,800 for the year.

While earnings of less than \$400 in a year should not be reported, a self employed farmer may report and pay the social security tax even when his actual net earnings are less than this amount. If his gross income from farming is \$1,800 or less, the farmer may count as his earnings from farm-

ing either his actual net or two-thirds of his gross. If his gross farm earnings are more than \$1,800 and his net is less than \$1,200, he may report either his actual net or \$1,200. However, if his gross farm income is more than \$1,800 and his net is \$1,200 or more, he must report his actual net earnings.

Tuley said that the optional method applies whether the farmer's actual net earnings are \$400 or more, less than \$400, or even if he has an operating loss for the year. He pointed out, however, that the optional method applies only to earnings from farming and cannot be used in figuring any earnings the farmer may have from non-farm self employment.

Widows of Veterans May Be Eligible for VA Loans in New Plan

A reminder that the widow of a World War II or of a Korean conflict veteran may be eligible for a GI loan if the veteran's death was service connected was issued this week by the Veterans Administration.

Furthermore, VA said, the fact that the deceased veterans might already have obtained a GI loan does not affect the widow's eligibility for one.

However, if the widow herself is an eligible veteran, she accrues no additional GI loan rights because of her husband's death.

GI loan applications from such widows of World War II veterans must be filed by July 25, 1960. Korean conflict eligibility extends to February 1, 1965.

Former Submarine Men Needed in Navy

Lieutenant Commander O. F. Rapelyea, commanding officer of the Navy recruiting station in Dallas, has announced the Navy's latest policy covering the reenlistment of personnel who have held active duty rates in the Navy's submarine service.

Effective immediately certain personnel who were qualified and designated for submarine duty at the time of discharge or release held active duty rates in the Navy been discharged or released less than three years, may reenlist in the regular Navy in the rate held at time of discharge or release to inactive duty. Due to the urgent need for qualified submarine personnel this extreme departure from normal 90-day reenlistment period has been instituted.

TODAY'S SIMILE.

"As useless as a June bride's budget without an eraser."

Amateur Hour for Fairview Church Gathering Staged

An amateur hour was featured by members of the congregation of Fairview Baptist Church, seven miles southeast of Hamlin, at the family night gathering last Wednesday evening. The whole church gets together on every fourth Wednesday night of the month for a devotional program and fellowship meeting.

Last Wednesday evening, after a song by the congregation, followed by a prayer, the amateur hour program consisted of poems, quartets, duets, piano solos and a skit. Judges were asked to select the three top winners, and a piano solo by Linda Goodwin was given first place.

Refreshments of coffee, cold drinks and cookies were served to about 40 attendants.

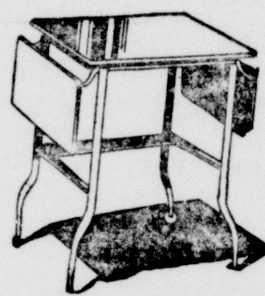

The Fairview church leaders feel like these family night get-togethers promote fellowship and cooperation among the members, creating more interest in church affairs, thereby strengthening the church, which like all the rural churches now is fighting the battle of decreasing members in the rural population.

PASTRY SALE SLATED

There will be a cake and pie sale for benefit of the Faith Methodist Church in front of McDonald's store Saturday beginning at 9:30 a. m., women of the church announce.

Juniors Lead Classes at Hamlin High School Making Semester Honor Roll

Members of the junior class of Hamlin High School led classes making the honor roll for the third six-week period of the first semester of school, according to tabulations of the top ranking list released this week by B. V. Newberry, high school principal.

The juniors had 23 on the top ranking list. Freshmen, with 21, were second, the sophomores had

New Pension Law to Broaden Scope of Pay For Widows, Orphans

Widows or orphans of World War II or Korean conflict veterans who are ineligible for pension payments under the present law should investigate the possibility that they may become eligible on July 1, 1960, the Veterans Administration said this week in a release to The Herald.

The VA pointed out that on July 1 the new pension system passed by Congress in 1959 goes into effect.

The new system does not require that a veteran have a service connected disability before his dependents become eligible for pension following his death.

The new pension system requires that the deceased veteran must have had at least 90 days' service on active duty, at least part of it during war-time, and was discharged under conditions other than dishonorable.

However, the new pension system has certain annual income limitations and sets up a specific definition of a widow for pension purposes.

World War II or Korean conflict widows, orphans or their representatives should now contact the nearest VA office to see if they are eligible under the new law, VA said.

How to liven up potato salad

Just mix it with Miracle Sandwich Spread! Kraft makes this tasty spread by adding special relishes to a creamy, zesty dressing. Great on head lettuce, too. Try it!

Miracle Sandwich Spread

20, and the senior group brought up the rear with 12.

Complete honor roll as released by Newberry, given by grades, follows:

Seniors: All As—Pat Bigham and Cynthia Patterson; A average — Durwood Boyd, Barbara Cheshire, Lana Lancaster, Danny McCurdy, Ann Richey, Carol Jo Simpson and Steve Stephens; B honor roll — Rebecca Ferguson, Phyllis Hollis and Carolyn Nunley.

Juniors: All As—Ann Rabjohn; A average — Darla Harkey and Nina Jean; B honor roll—Wayne Boatright, Mike Bond, Robert Brandon, LaNeil Cross, Suzanne Jenkins, Jack Haught, Clyde Hodnett, Jorene Hudspeth, Bob Johnson, Ray Johnson, David Karnes, Bobby McCurdy, Bob Murff, Cecil Robinson, Henry O'Neal, Janice Richardson, Jimmy Shivers, Zoan Winegeart, Nell Waldon and Kenneth Wiggington.

Sophomores: All As — Tommy Sewell; A average—Neal Branscum, Thelma McClung, Dwayne Smith and Mary Smith; B honor roll—Linda Bingham, Max Cowan, Nancy Carter, Barry Cheshire, Jerry Duncan, John Ferguson, Bill Goodman, Pat Green, Jeannette Jenkins, Darlene Josey, Jerry Legan, Bill Richey, Raley Smith, Eddie Townley and Jerry Warnell.

Freshmen: All As—Joyce Bingham, Lou Ann Hawkins, Gloria Jenkins, Barry Moore, Dan Newberry, Tommy Shelburne, Mark Smith and O. H. Weaver; A average—Dotty Albritton, Margaret Maberry, Sandra Jayroe, Van Newberry, Betty Robertson and Sunny Teague; B honor roll—Billy Blankinship, Julie Daniell, Penny Ford, Andy French, Mary Rountree, Arlene Waldon and Larena Weaver.

Staking of Wildcat, Plugging of Failure Highlight Oil Activity

Staking of a new wildcat and plugging of another well constituted the oil activity in the Hamlin area of the past several days.

Fletcher Oil & Gas Corporation No. 1 Minor Alexander will be a 3,800-foot rotary wildcat four miles northwest of Hamlin. Location is 630 feet east and 300 feet south from the southwest corner of Section 8, but in Section 5, W. E. Kay Survey, shown on some maps as J. J. Hiltson Survey.

Ab-Tex Production Company of Abilene No. 2 W. A. Polk, project eight miles west of Hamlin in the Royston Field, was plugged as a failure at 5,320 feet. It was 1,227 feet southwest of No. 1 Polk, opener of the Frankus (Strawn Reef) Field. Location was in the J. Luce Survey 15.

SWEET TREASURE—J. Neal Hewitt of Hyler holds a 50-pound "wild" honeycomb, complete with some 40,000 wild bees he found after four freezes in an East Texas creek bottom. The railroad brakeman, who already owns 150 bee hives, said this is the largest wild comb he had ever seen and it was started either last April or May during the swarming season.

Sixth Graders Lead Classes at Junior High School Making New Honor Roll

Sixth graders led classes of the Hamlin Junior High School making the honor roll for the third six-week period of school, according to tabulations of the top ranking list just released by Marvin D. Carlton, principal.

The sixth graders had 40 on the honor roll. Eighth graders, with 30, were second, and the seventh graders were close behind with 29 names on the list.

The complete honor roll, by grades, follows:

Sixth Grade: All As — Anne Shelburne, Lynn Shelburne, Barty Sims, Buddy McClung, Jan Albritton, Tommy Ferguson, Glenda Hudspeth, Donald Embrey, Jimmy Hawkins, Jim Kincaid, Judy Jenkins, Sheila Stone, Patsy Sauls, Mike Smith and Pamela Austin; A average—Ronnie Guthrie, Gary Hester, Rodger Bell, Bobby Robertson, Pat Pope, Cynthia Stephens, Richard Johnston, Margie Young, Mike Rountree and Donna Compton; B honor roll—Scotty Brown, Sherilyn Witt, Jeannette Goolsby, Linda Legan, Ronny Stice, Junie Jordan, Kay Hodnett, Freida Ford, Virginia Haught, John Poe, Lavonia Haught, Janice McCracken, Linda Helms, Danny Joe Warner and Douglas Sharer.

Seventh Grade: All As—Stanley Smith, Linda Hallmark, Johnny Overman, Jackie Townley, Connie Jo Duncan, Mary Lois Patterson, Marilyn Reynolds, Nancy Ford, Mary Margaret Turner and George

Smith; A average — Paula Kim, Pat Batchelor, Elizabeth Cunningham, Mary Ann Elkins, Carolyn Reynolds, Beverly Robertson, Mike Shivers, Christy Hallace and Rupert Compton; B honor roll—Gary Cauble, David Drummond, Melba Scott, Charles Prewitt, Reha Law, Allen Cumble, Delia Nichols, Joe Martin and Jeannette Green.

Eighth Grade: All As—Kay McCoy, Sue Johnson, Joyce Smith, Gary Ted Jay and Jesse Goolsby; A average—Judy Fitzgerald, Lynn Ray Sturrock, Jimmy Inzer, Candace Thompson, Anna Cheryl Adams, Dianne Bond, Freddie Shave, Jaylon Fincannon, Tommy Robertson, Jeff Willis, Kathleen Hallmark, Marsha Goodgame, Shirley Farnsworth, Ronnie Sipe, Ronnie Teichelman, Pam Smith, Phyllis Scarborough and Cleon Warner; B honor roll—Cecil Price, Jerry Cooper, Dewane Bundas, Cherry Criswell, Ann Johnson, Barbara Embrey and Cheryl Brown.

Nazarene Pastor in Meeting in Arkansas

Rev. R. T. Jarrell, pastor of Church of the Nazarene in Hamlin, is in Hot Springs, Arkansas, for several days conducting revival services. The meeting will be held in the Grace Church from February 4 through 14.

Mrs. Jarrell travelled with her husband and is assisting in the meeting.

Area Farmers Urged To Check SS Numbers Of 1959 Employees

This is a good time for Hamlin area farmers to make certain they have correct social security numbers for all their employees. R. R. Tuley Jr., manager of the Abilene social security office, said this week in a release to The Herald.

He added: "Farm wages are reported on a yearly basis. The report covering employees who worked in 1959 must be filed with the director of internal revenue during January, 1960." This report must be filed for

(1) Any employee who was paid \$150 or more in cash wages during the year; or

(2) Any individual who worked on 20 or more days in 1959 for cash wages figured on a time basis (for instance, by the hour, day, week, etc.) regardless of the total earnings for the year.

There was a sharp increase in the number and quality of reports filed by area farmers last year. Correct and complete reporting helps guarantee that the employee receives full social security credit for the work he has done.

STRICTLY FROM HUNGER.

"Now tell me," said the personnel manager, "just why you want to work for us."

"Well, sir," the applicant answered, "I got sick and went to my doctor. He gave me five pills and told me to take one after each meal. That was three days ago and I still have four pills left."

Quarterly Dividends Declared by Celotex

Board of directors of the Celotex Corporation this week declared quarterly dividends on common and preferred stock for the quarter ending January 31, 1960, according to a release from the Chicago headquarters of the concern to The Herald.

The dividends are 50 cents a share on common stock and 25 cents a share on preferred stock, both payable January 30, 1960, to stockholders of record January 4, 1960.

STEP OUT IN IT

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts

further insulate you from the road. **Body by Fisher**—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one. **Safety-Girder frame**—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

Non—fast delivery, favorable deals! See your local authorized Chevrolet dealer!

Tanda Camp Fire Girls Group Stages First Ceremonial of Year Tuesday Eve

Members of the Tanda Camp Fire Girls group, members of the fifth grade school, held their first ceremonial of the year at the Camp Fire Girls hut last Tuesday evening. Leader of the group, Mrs. Jack Wicker, and her assistant, Mrs. Woodrow Goodwin, conducted the ceremony.

Camp Fire Girls receiving special three-year membership awards were Lynn Brannon, Teresa Gabriel, Linda Goodwin, Margaret Ann Johnson, Jackie Jenkins, Sue Roddy, Janet Kelly, Louise Lujan, Vickie Newland, Suzanne Walker and Belinda Woods.

Other members of the group receiving honors were Jennie Young, Joy Bonds, Rheanna Sanderlin and Betty Daniels.

Leaders recognized as having worked with the Camp Fire program for three years were Mrs. Jack Wicker and Mrs. Wilson Brannon.

Variety of Foods on Economy Plentiful List For February in State

Abundant supplies of pork, oranges and orange products are in prospect for February.

These are the featured items on the U. S. Department of Agriculture's list of plentiful foods next month, according to the Texas Agricultural Extension Service of College Station.

Also plentiful in February will be broiler-fryers, lamb, lard, eggs and peanuts and peanut products.

Other fruits and vegetables on the list are cabbage, carrots, sweet potatoes, onions, grapefruit, cranberry products and raisins.

This is the season when many fresh fruits and vegetables are being harvested in Texas orchards and gardens. The state's orange crop is the best since the big freeze of nine years ago—36 percent larger than last year, according to estimates of the Agricultural Marketing Service.

USDA's list of plentiful foods is prepared each month by AMS food distribution workers, in cooperation with growers and members of the food trade. The list includes items that are in larger-than-normal supply.

Menu planners will find it to their advantage to serve these foods often because plentiful and in-season items usually provide greater economy and more choice for quality.

Lynn Brannon was presented the fish swimming award earned at summer resident camp.

Jackie Jenkins was recognized as having earned the most number of honor beads.

Mothers of the girls were guests for the occasion Tuesday evening. Refreshments of punch and heart shaped cookies were served from a table covered in white, centered by a net covered tree with red hearts and ribbons and flanked by red candles in crystal holders.

Recently officers were elected by the group as follows: Margaret Johnson, president; Joy Bonds, vice president; Jackie Jenkins, secretary; Belinda Woods, treasurer; Lynn Brannon, reporter; Sue Roddy, song leader; and Linda Goodwin, pianist.

On Saturday, January 30, the group planted trees at the Camp Fire Girls hut in observance of the sixtieth birthday of the Camp Fire organization. A picnic lunch was enjoyed at noon.

The girls helped with the downtown balloon sale for the local March of Dimes during the afternoon.

Serving the group as sponsors are Mrs. Wilson Brannon, Mrs. W. T. Johnson and Mrs. Jack Kelly.

Methodist Women Study Mission Work In Africa at Meeting

Study of work of missionaries in Africa was the topic when members of the Copeland Circle of the Woman's Society of Christian Service of the First Methodist Church met Tuesday with 10 members present. The session was in the home of Mrs. Holly Toler.

Mrs. Copeland was leader for the program and also presided over a business session.

The secretary read the minutes, and the treasurer read her report. Mrs. Ed Bailey read the scripture from Isaiah.

Mrs. E. F. Nunley and Ella Temple read articles about mission work in Africa. Mrs. W. B. dismissed the meeting with prayers. The hostess served coffee, sandwiches and pecan pie to the attendants.

Next meeting of the group will be with Mrs. Julia Harden on February 23.

Your Home Town Paper has stencils of all kinds and all sizes. Special ones made to order.

Xi Gamma Pi Group Hears Plans for Sale Of Easter Seals in City

Members of the Xi Gamma Pi chapter of Beta Sigma Phi met Thursday, January 28, with Mrs. W. T. Johnson as hostess.

During the business session the committee for the Easter seal fund drive reported on their attendance at the workshop held at the West Texas Rehabilitation Center in Abilene on January 21. Mmes. John C. Bryant, M. L. Smith, E. D. Perrin and Jerry Waggoner were named as committee members at the last meeting. Plans are being made for a house-to-house canvass for the sale of Easter seals on the evening of April 5 and the Easter lily sales on April 9.

Mrs. Gerald Young presented a thought-provoking program on "High Moments of Love and Faith."

Mrs. Johnson served a refreshment plate to the following members: Mmes. Jerry Waggoner, Jim Ballard, E. D. Perrin, E. J. Hawkins, John C. Bryant, George Poe, Weldon Carlton, Bill Feagan, C. Weldon Griggs, Gerald Young, Holly Toler, Earl Smith and Arlie Cassie.

On February 11 the members and their husbands will meet at the high school cafeteria for a dinner which is being planned by the social committee.

NURSES BROKEN LEG.

Jimmy Wainwright, young son of Mr. and Mrs. George Wainwright, is in the Stamford Hospital nursing a broken leg, which he sustained several days ago when he fell from his horse.

RECOVERING AT ABILENE.

Mrs. John Beauchamp of the Pleasantview community is in Hendrick Memorial Hospital at Abilene recovering from recent eye surgery.

VISIT AT LUBBOCK.

Mr. and Mrs. Elmer Joiner were at Lubbock last week-end visiting with Mr. and Mrs. Henry Kee.

SMOOTH TOOL HANDLES.

Make sure the handles of your garden tools are smooth. Sand the wood with a light sandpaper, then rub the handle with linseed oil. Rough handles will cause blisters.

Spray Treatment for Insect Pests Will Provide Longer Wear from Wool Rugs

Now that we keep our houses warm all year, the pests that damage our wool rugs and carpets can thrive as well in winter as in summer. Rug damage by carpet beetles has been reported recently by homemakers.

Proper Eating Habits Vital to Functioning Of Body and Health

Food is the fuel your body depends on. The right food daily can give you better health and more pep and vitality. It can improve your attitude, appearance and even help you to stay younger longer, according to Mary Y. Newberry, Jones County home demonstration agent.

Poor eating habits can result in many bodily disorders. Nervousness, depression, tendency to tire easily, improper weight, skin disorders and lowered resistance to disease are some of the common results. Improper growth, tooth decay, poor bone formation, night blindness, sore gums and other disorders may occur.

Check now to see how you and other family members rate. A leaflet written by foods and nutrition specialists provides an easy check list for rating your daily diet and eating habits. Entitled "Are You a Good Eater?" the leaflet lists the more important food elements needed by the body and then gives good sources for each.

Encourage all family members to rate their eating habits. Get copies of the leaflet from the home demonstration agent's office in the basement of the courthouse at Anson.

Further Study on Africa Program Topic For Methodist Circle

Further study on Africa was the topic when members of the Hudson Circle of the Woman's Society of Christian Service of the First Methodist Church met in the home of the circle chairman, Mrs. M. T. Hudson, last Tuesday afternoon.

Mrs. W. H. Pickron opened the meeting with prayer. A business session was held before the program, and it was reported that the major portion of the group pledges had been made.

Mrs. B. H. Gardner was in charge of the program entitled "The Golden Cord of Service," which ties in with the WSCS study on Africa. Mrs. Fred Carpenter gave one part on the program, and all who attended enjoyed the interesting program.

The hostess served coffee and cookies to the following members: Mmes. W. H. Pickron, L. C. Bonds, B. H. Gardner, Fred Carpenter, Dean Witt and H. E. Black, a new member; and one visitor, Mrs. Henry Jackson.

Mrs. Carpenter will be hostess to the group in February.

County Nurses Meet In Monthly Session At Anson Thursday

Members of the Licensed Vocational Nurses Association, Division 54, met last Thursday evening in the dining room of the Anson Hotel.

Past president of the Anson auxiliary spoke to the group on the auxiliary and its work with the local hospital.

Following a social period and serving of refreshments, a business meeting was conducted by Mrs. Eunice Rainwater, president of the Jones County division.

Those present from Hamlin were Mrs. Hazel Higdon, Mrs. Erma Wallace and Thelma Maddox.

Those from Anson were Mrs. Martha Scott, Myrtis Rainwater, Geneva Bateman, Vivian Flynt, Llera Drummond, Azella Voss and two student nurses, Mrs. Glenda Tubbs and Shirley Anderson.

Next meeting of the group will be held Thursday, February 18.

Reports for Month Heard at Meeting of Ruth SS Class Group

Reports for the past month were given when members of the Ruth Sunday School Class of the North Central Avenue Baptist Church met Tuesday in the home of Mrs. Viva Dell Wilcox.

Mrs. L. H. Clark presided at the session. Mrs. D. A. Mullings opened the meeting with prayer. Mrs. L. H. Clark led the group in singing the class song. Mrs. V. Madden gave the class report for the past month. Mrs. D. A. Mullings presented the secretary's report. A love offering was taken.

Mrs. Viva Dell Wilcox brought the devotional from the twenty-third Psalm. Mrs. T. M. Harrell closed the meeting with prayer.

Refreshments were served by the hostess to Mmes. V. Madden, D. A. Mullings, L. H. Clark, T. M. Harrell, G. B. Phillips, Henry Plemmons and Ester Ewing.

SO YOUNG—THOUGHTFUL.

Mother and Father (alarmed when their tot opened the door on their return after an evening out)—"What are you doing opening the door?"

Tiny Tot—"Shhh! I was watching for you, Mommy. The baby sitter's asleep and I didn't want you to ring the door bell."

A lot of live people we know are A-1 cowards. They won't take a chance on the highway.

Real old-timers remember when the height of extravagance was buying a \$2 buggy whip.

Judy Teichelman, Bride Elect, Feted At Gift Tea Monday in Gibson Home

Judy Teichelman, bride-elect of Jimmy Hale, was honored Monday evening with a gift tea in the home of Mrs. Everett Gibson, 312 Northwest Avenue H.

Guests were received by Mrs. Gibson and presented to the honoree: her mother, Mrs. Fred Teichelman; mother of the bridegroom-to-be, Mrs. J. W. Hale; and Lavada Teichelman, sister of the bride-elect.

Mrs. Gene Greenway and Mrs. Joe Wayne Carter presided at the table, which was covered with a white monogrammed linen and nylon net. The centerpiece was a large white satin heart based on styrofoam and framing miniature figurines of a bridal couple flanked by an arrangement of red carnations and greenery. Table appointments were of imperial crystal.

Mrs. Erma Wallace and Mrs. D. R. Jenkins directed guests to the bedroom, where many lovely gift were on display. Mrs. James Wright registered the guests, and Mrs. R. W. Higdon said the good-byes.

Hostesses for the occasion were Mmes. G. W. Drummond, Everett Gibson, D. R. Jenkins, J. Wayne Carter, E. T. Williams, T. A. Jones, Cecil Brown, Erma Wallace, Gene Greenway, James Wright, F. T. Wallace, Bill Kelly, R. W. Higdon and Eunice Rainwater.

White spots can be removed from mahogany furniture by spreading a thick coat of petroleum jelly over them. Allow the jelly to penetrate for two days. Remove with soft cloth.

Rub damp salt on dishes marked with brown spots caused by baking foods in them in the oven. Wash and rinse the dishes. Repeat if necessary to remove stain.

Bread can be stored in your freezer for two to three months without losing any of its freshness.

With Three Cage Games to Go, Pied Pipers Seek District Title

Victory by 62-48 Over Seymour Strengthens Lead

Continuing their victory march in the District 6-AA basketball conference race, Hamlin High School's Pied Pipers went to Seymour last Friday night to take a 62 to 48 decision in their only action of the past week. With only five teams in the loop, and only four games scheduled, two teams are idle each week in loop play.

The victory gave Coach Neil Laminack's Pipers a perfect district record of five straight wins. Seymour is in the cellar spot.

Guard Gerald McCannies took scoring honors for the Pipers and the game by tossing 20 tallies through the hoops. Forward Cecil Robinson, his teammate, was close on his heels with a 19-point record for the evening. High scorer for the Panthers was Bobby Battles with 12 marks.

Hamlin held only a one-point lead at the first quarter when the score was 18 to 17. They increased the lead another point at the half, holding the long end of 31 to 29 tally. Third period ended with a 47 to 41 score.

DISTRICT 6-AA STANDINGS

Standing in the District 6-AA basketball race remained in the same order during the past week as more games were played by the five member teams. Hamlin and Stamford had only one game each, while the other three teams played three tilts each.

After Tuesday night's games the standings looked like this:

Teams	P.	W.	L.	Pct.
Hamlin	5	5	0	1.000
Stamford	5	4	1	.800
Anson	6	3	3	.500
Haskell	6	2	4	.333
Seymour	6	0	6	.000

Results of Last Week

Hamlin 62, Seymour 48.
Haskell 36, Anson 35.
Anson 59, Seymour 41.
Stamford 51, Haskell 39.

QUITE A CURE.

"Flattery is a splendid cure for stiff necks," said John. "Why?" asked his friend. "There are few heads it won't turn."

Psychiatrist to patient: "Now, just when did you first discover that you enjoyed paying your income taxes?"

Junior High Girls Take Loop Lead With Haskell Win

Hamlin Junior High School cage girls took over first place in the conference scramble Monday night by turning back the Haskell girls with a 23 to 18 win. Haskell had been unbeaten in loop play before the first-of-the-week tilt.

Cheryl Brown led the Hamlin forwards in scoring with 10 points. Phyllis Scarborough tallied eight points, and Barbara Lakey five. Hamlin guards turned in a fine game. Playing for Hamlin were Anna Adams, Pam Smith, Diane Bond, Judy Fitzgerald and Marsha Goodgame.

Eighth grade boys fell before the Haskell crew 32 to 19. Hamlin's boys played a better game than the score indicated. Jimmy Inzer dropped in eight points for high point honors. Larry Butler scored three, Gary Ted Jay three, Doyle Bell two, Cleon Warner two, and Jeff Willis one.

The seventh grade boys won their first conference game by outscoring the Haskell boys 24 to 16. Holman Jones and George Smith each scored six points, Mike Shivers and Allen Cumbie four points each, and Larry Foster and Larry Don Perry scored two points each.

Junior High Teams Go To Albany Thursday

Junior High School basketball teams will journey to Albany next Thursday, February 11, for their next scheduled conference games. Avoca teams were to play Hamlin junior teams here next Monday but will not be able to be here, school officials announced. The teams were looking for another team at mid-week for this date.

DALLAS FOOTBALL OFFICIALS—Three members of the Dallas Rangers, new member of the National Football League, are shown at the meeting in Miami Beach, Florida, where the team was voted into the league. From left to right they are: Dallas co-owners Bedford Wayne and Clint Murchison Jr.; George Marshall, owner of the Washington Redskins; and Tex Schramm, general manager of the Dallas club.

Hamlin High School Girls Entered in H-SU Area Cage Tourney

Hamlin High School Piperette basketball girls will participate this week-end in the ninth annual Hardin-Simmons University high school girls' basketball tournament at Allen. Sixteen area teams are entered in the tournament that gets underway this (Thursday) morning in the Rose Field House on H-SU campus.

Coach Ed Farmer's Piperettes will play their first game against the Duncanville girls this afternoon at 1:45 o'clock. If they win they play the winner of the Baird-Hawley game Friday evening at 7:30. If they lose they play the loser of the Baird-Hawley game Friday afternoon at 12:30 in the consolation bracket.

Trophies will be awarded to the championship, runner-up and consolation winning teams in the tournament. H-SU athletic officials announce.

Three More Games On Pied Piper Menu To Wind Up Season

Coach Neil Laminack's Hamlin High School cagers have three more encounters on their District 6-AA schedule as they approach three climactic games. Tomorrow (Friday) night they play Anson's Tigers on the local courts. Tuesday night they go to Stamford for the probable deciding game of the conference race with the second place Bulldogs.

Next Friday night the Pied Pipers entertain the Haskell Indians in the curtain dropper.

In the Anson meeting both A and B boys play, the Bs taking the floor at 6:30. At Stamford the same pattern will be followed. In the final clashes with Haskell next week-end the girls, B and A boys will play in that order, with the first game scheduled at 5:30.

DePriest Boys Squeak By Anson in Tourney

DePriest High School Steers took that delayed sugar game of the recent Anson colored school tournament played two weeks ago—except the finals match between Anson and Hamlin. The score was 41 to 40.

A rough and tumble affair, the game had been delayed when time ran out on the tournament proper. Coach Dee Waggoner's boys were in the lead most of the tilt, but trailed Anson two or three times.

WHAT HE STOOD FOR.

Hostess—"Oh, I'm so glad to see you here, general." General—"Thank you."

Hostess—"But, general, I hope you won't take it personally if I say that I'm opposed to war."

COMPLETE CURE.

A confirmed drunkard at long last had been cured of the bottle and his psychiatrist was about to test him to see if the cure were complete.

"Now, then," he said, "what does the name Gordon convey to you?"

The ex-drunkard thought a bit. "Wasn't that the name of a famous general?" he said.

"Very good," said the psychiatrist. "And what does the name Haig mean?"

"He was a noted earl," was the reply. "Excellent," said the psychiatrist, "and now for the supreme test: What does Vat 69 mean to you?"

The man sat deep in thought. At last he looked up and asked: "Isn't that the pope's telephone number?"

Highland Cagers Beat McCaulley Two Tilts

Highland basketballers walked away with both ends of a double bill last Friday night when the McCaulley High School teams entertained the Nolan County cagers in District 15-B encounters.

Darrel Petty's 25 points led the Highlanders to a 58 to 43 victory over the Eagles. Phil Wright and Woody Owens looped 12 points each for the Hornets. Bobby Kiser was high for McCaulley with 12 tallies.

The Highland girls won their game by a 53 to 36 count. Ada McAnear bucketed 24 tallies to lead the winners, and Mary Current was high pointer for McCaulley with 29 marks.

McCaulley Divides Two With Blackwell

McCaulley cagers split a pair of games with basketball crews from Blackwell Tuesday night on the McCaulley courts in the Mason gymnasium.

Blackwell's Hornets took the District 15-B boys' game by a 56 to 41 score. The Blackwell victory put the two teams in a tie for third place in district standings. Albert Sneed looped 21 marks to lead Blackwell scoring, while Bobby Kiser led the Eagles with 13 points.

The McCaulley girls took their end of the evening's festivities by a 43 to 16 score.

Haskell, Seymour and Anson Reel Off Two Games Each as Others Play One

With only five more conference games on the slate for the year, teams of the District 6-AA basketball loop continued to hold the same pattern during the past week they held the previous week, and Hamlin's Pied Pipers were riding saddle in the top spot with a perfect record.

During the past week of play Hamlin had only one game, opposing Seymour, the cellar occupants 62 to 48, in a tilt played Friday night at Seymour. Haskell nudged Anson 36 to 35 in the other Friday action. Tuesday night Anson downed Seymour 59 to 41, and Stamford dropped Haskell 51 to 39.

Haskell defeat Friday night of the Anson Tigers by a 36 to 35 count at Haskell was a thrilling melee. The lead seasawed all

during the game, the Tigers being ahead at the half by one point, which was the margin at the end of the tilt for Haskell. Bobby Gibson led the Indians with 11 points, and Charles Barth was high pointer for Anson with 18.

Hamlin's Pied Pipers did the expected thing Friday night at Seymour by downing the cellar-inhabiting Panthers 62 to 48 to keep their record clear for conference play. Gerald McCannies of Hamlin was the leading scorer with 20 tallies, followed by teammate Cecil Robinson with 19. High pointer for Seymour was Bobby Battles with 12 marks.

Second-place Stamford Bulldogs defeated the Haskell Indians 51 to 39 in a District 6-AA game Tuesday night at Stamford. The Stamford crew held the Indians to only four points in the first quarter. Bill (Cotton) Thompson was high pointer for Stamford with 21 marks, while Gary Anthony led the Indian scoring with 11.

After losing the one-point heart breaker Friday night to Haskell, the Anson Tigers trimmed the down-trodden Seymour Panthers 59 to 41 Tuesday night in a fracas play at Anson. Billy McCarty led the Panthers with 14 points, and Ray Barber was high for Anson with 14, trailed by Dudley White who bucketed 12.

Fish Feet Stamford. Faculty Crew Downs Outsiders in Games

Hamlin High School freshmen downed the Stamford High School freshmen 29 to 21 in a hard fought benefit basketball game Saturday night in the HHS gymnasium as part of a double bill sponsored by the Student Council of the local high school.

Members of the Hamlin school faculty trimmed a team of outsiders 56 to 27 in a rough-and-tumble-fumble affair.

Besides a collection of bruises and spills for the "old" faculty members, revenue of \$39 was raised for the March of Dimes campaign at the spectacle. Members of the senior class also contributed one-half of their concession stand profit for the evening to the MOD that amounted to \$8.35.

Women Golfers to Have Busy Season Beginning Soon

Hamlin Women's Golf Association planned a busy summer season when members of the group met Tuesday morning in the home of Mrs. B. O. Bell.

Mrs. E. D. Perrin read the minutes of the last meeting. She reported a balance of \$377.67 in the unit's treasury.

Hamlin women golfers were invited to participate in the Women's West Texas Golf Association twenty-fifth anniversary tournament, to be held at Lubbock on June 21 to 25. The local group voted to send entries to the meet.

Ladies of the association and others of the community are invited to participate in the regular ladies' day play at Lakeview Country Club, beginning next week. Ladies' day has been designated as the second and fourth Tuesday of each month, beginning at 9:00 o'clock.

Among events planned for the women at the Tuesday morning gathering for the coming golfing season included:

March 8—Driving contest. Two balls no No. 1 tee box. Only shots ending in the fairway count. Low score with handicap will be scored. Sack lunches will be brought by attendants.

April 12—High score on odd holes.

May 10—Invitational tournament.

May 17—City tournament.

June 15—Youth tournament.

July 12—Low putts.

August 9—Low on even holes.

September 13—Poker hand.

SOMETHING NEW?
The young couple was hard pressed for money and the bride prepared hamburger in as many different ways as she knew how. On the twelfth day she served still another version of chopped meat. As the husband surveyed it wearily he murmured, "How now, ground cow?"

1960 PLYMOUTH

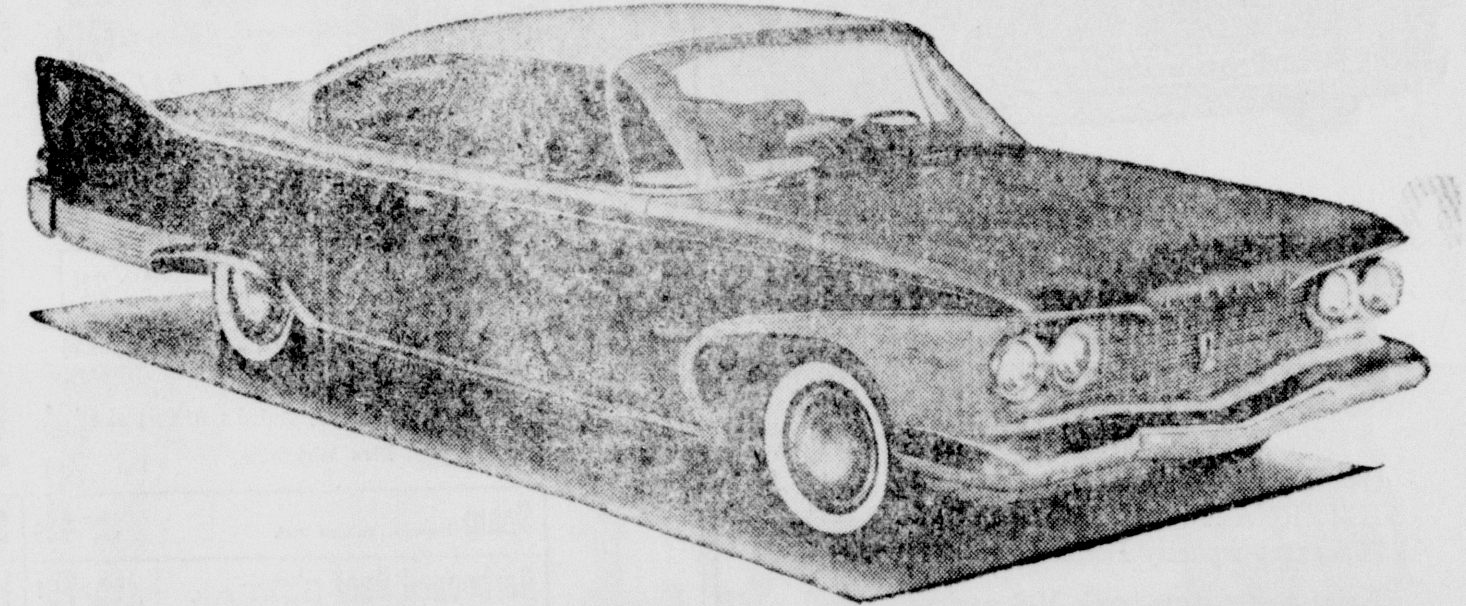

Proved in local tests that the Fuel-Saving Economy of this Fabulous new car is fact—not just claims. It's terrific!

Test drives were made by people of the Hamlin community with measured one-tenth of a gallon of gasoline. Prizes were given to those making the best mileages over a given course that included two traffic lights. Winners were:

Jerry Duncan, who attained 3.3 miles (33 miles per gallon) and received a \$25.00 U. S. Savings Bond

Second Prize of \$15 Car Wash, Lubrication, Wax and Polishing Job went to John Ferguson Jr., who made 3.2 miles (32 miles per gallon)

Third Prize of \$5.75 Car Wash, Lubrication and Oil Change was awarded to Revis Robertson, who drove 3.1 miles (or 31 miles per gallon)

We appreciate the privilege of demonstrating this wonderful 1960 Plymouth to so many people in the tests. If you did not enter the contest, we invite you to test drive the car any time at your convenience.

Retiring BCD President Says "It's Do Or Die This Year for Hamlin" Growth

"It's do or die this year for Hamlin!" Fred B. Moore Jr. told the membership and finance committee of the Hamlin Board of Community Development at a meeting in the BCD office Monday morning as the group made plans for a membership drive for the civic organization.

Moore explained that Hamlin people had been blessed with many good things for many years. "We have enjoyed good business, good jobs, good homes and good family life that others have made possible for us to enjoy. Now it's time we put something back into the community for our children and their children," Moore said.

As chairman of the membership and finance committee, Moore stressed that a dollar invested in this community would be the best investment ever made. He said, "Hamlin has been negligent for a number of years, but the time has come when we must realize our responsibilities as individual citizens that, if we are to survive, we must set precedences, explore new fields of opportunity and open new areas."

"You cannot take crops from the soil year after year and expect it to continue producing. You must put something back into the soil before it can possibly yield a good harvest. We, too, must put something back into the community that we've taken so much from all these years—something

Freight Carloadings For Santa Fe Decline

Freight carloadings for the Santa Fe Railway System for the week ending January 23, 1960, were 21,435 compared with 22,409 for the same week a year ago, reflecting a decline. Cars received from connections totaled 11,066 compared with 10,823 for the same week a year ago.

Total cars moved were 32,501 compared with 33,232 for the same week a year ago. Santa Fe handled a total of 34,631 cars in the preceding week this year.

Burnia Reid Jr. Puts Hat in Ring for County Commissioner's Post

Burnia Reid Jr. this week announced his candidacy for county commissioner of Precinct No. 1, Jones County.

In making the announcement, Reid offered the following statement:

"I am 49 years of age, having been a resident of Jones County all of my life. I was born and reared on a farm five miles south of Stamford. I am a graduate of Stamford High School and also Byrne Commercial College in Dallas. As a young man I worked on Jones County roads, helping build roads and bridges. For the last 18 years I have lived on my farm one-fourth mile south of Hamlin."

I am married to the former Geneva Hunter, and we have one son, who is a junior in Texas Tech at Lubbock. I am a member of the First Baptist Church.

I believe the office of commissioner should be operated on a sound business and economical basis. I feel like I am qualified to carry out the duties and responsibilities of this office. If elected to this office, I shall do my utmost to serve the people of this precinct to the best of my abilities.

It may be impossible to see every voter, but I wish to take this method to ask for your vote and support.

Thank you for your consideration.

Mrs. C. M. Pointer, Wife of Pumper, Succumbs Monday

After an illness of about a week, Mrs. C. M. (Eula A.) Pointer, 64-year-old wife of a pumper for General Crude Oil Company at Hamlin, died Monday afternoon at the Hamlin Memorial Hospital. She had been in the hospital since suffering an attack several days ago.

Born August 29, 1895, in Hopkins County, she was the daughter of Mr. and Mrs. A. P. Randall. She married C. M. Pointer on February 25, 1945, at Longview, and the couple had made their home in Hamlin since 1949. She was a member of the First Methodist Church.

Funeral services were conducted Tuesday afternoon at 3:00 o'clock at the Hamlin First Methodist Church. Rev. Edmund W. Robb, pastor, officiated.

The body was taken by Hamlin Funeral Home to Longview Wednesday morning, where graveside rites were conducted Wednesday afternoon at 4:00 o'clock in Memorial Park, at which Rev. Sloan Gentry, pastor of the First Christian Church, of Longview officiated.

Surviving Mrs. Pointer is her mother, Mrs. Ettie Randall of Houston; her husband, C. M. Pointer; five step-sons, C. A. Pointer of Lubbock, Bobby G. Pointer of Midland, James L. Pointer and Glenn W. Pointer of Longview and Dale C. Pointer of Bryan; three daughters, Mrs. Joe (Monavee) Gresham of Decatur, Mrs. Bill (Maxine) Lacy of Longview and Mrs. Murray (Jessa) Cook of Dallas; three brothers, O. A. Randall, A. P. Randall and W. R. Randall, all of Houston; five sisters, Mrs. O. B. Swimm of Lubbock, Mrs. Sterling Barnes of Longview, Mrs. Al Hinkle of Aguilera, Mrs. Vernon P. Bryant of Houston and Mrs. Jacquelyn Craig of Arlington; and 15 grandchildren.

Hamlin Funeral Home was in charge of local arrangements. Pallbearers were D. D. Crow, H. E. Black, Dick Maberry, L. B. Gage, Charlie Abbott and Silas Teague.

HELPFUL AT THAT.

A salesman called a prospective customer the other day and the phone was answered by what was obviously a small boy.

"If you mother or father home?" the salesman asked. The child said no.

"Well, is there anyone else there I can speak to?"

"My sister," the youngster piped. There was a rather long period of silence, then the salesman heard the boy's voice again.

"I can't lift her out of the play pen," he said.

WHAT MOTHER MISSES.

Passerby—"What would your mother say, little boy, if she could hear you swear like that?" Boy—"She'd be tickled to death if she could hear it."

Passerby—"How can you lie like that?"

Boy—"That's no lie. She's stone deaf."

HOW NONSENSICAL.

"Didn't that lawyer know you were a movie star?" "Hedn't the least suspicion. Why, he offered to get me my divorce without any publicity."

Missionary to Be In Nazarene Pulpit Sunday Morning

Mayme Alexander, returned Nazarene missionary to Guatemala will speak Sunday morning at 11:00 o'clock at the Hamlin Church of the Nazarene, it is announced by Rev. R. T. Jarrell, pastor.

Miss Alexander is on furlough in the United States, doing deputization work among churches of the denomination. In her missionary messages she will tell of the country and people with whom she lived.

Miss Alexander has been stationed in Coban, Guatemala, since 1946, teaching the children of other missionaries and working in various other capacities in the missionary program. She has been president of the missionary society and director of day schools.

A native of Jacksonville, she taught in the public school system there four years prior to being

Dr. W. C. Hambrick At Go to Dallas Meet

Dr. W. C. Hambrick of Hamlin and Abilene has made reservations to attend and participate in the twentieth annual Southwestern Congress of Optometry when it convenes February 14 at the Texas Hotel in Fort Worth for three days of intensive post-graduate education.

Theme of the meeting is "Total Optometry," and the lectures will point out how our modern everyday living affects our vision and how vision affects our everyday life.

The automobile has proved to be a great moral force in America. It has stopped a lot of horse stealing.

assigned to Guatemala by the department of foreign missions.

The Church of the Nazarene, with world headquarters in Kansas City, Missouri, maintains 450 full time missionaries in 40 world areas. The denomination is of the Wesleyan tradition.

New Pastor Urges Focusing Energies In Right Direction

"Some big men live in little bodies and some little men live in big bodies," tritely declared Rev. Lenard Hartley, new pastor of the First Baptist Church, when he spoke at the noon luncheon meeting of Hamlin Lions Club at the oil mill guest house Tuesday.

Asserting that he made no apologies for speaking any place from the Bible, the new preacher in the community, pointed to the book as the place to find poetry, love stories, tales of brutality and recordings of prayers of various types. He then pointed to prayer as not a position but a disposition of a person's heart.

"We need to focus our energies in the right direction," he said. "Like showing our visitors to our guest rooms many times we show our friends only the rooms of our hearts that we want them to see—not the

Seniors Make Gift to March of Dimes Fund

Members of the senior class of Hamlin High School made a generous contribution this week to the March of Dimes campaign of Hamlin community when 50 per cent of the profits from the Monday evening basketball game between the HHS faculty and outsiders were donated to the cause.

Officials of the class declared they hoped their contribution to the March of Dimes will be a help in some way to this worthy project.

People often seek excuses for their failures instead of trying to do something about them.

things we may harbor in the little rooms of our hearts."

Besides the speaker, other visitors at the Tuesday luncheon included E. W. (Andy) Anderson of Abilene, former Hamlin Lion and line chief of the telephone company; and Keith Wheatley of Stamford, candidate for state representative from this district.

Political Office Announcements

The Hamlin Herald is authorized to announce the following as candidates for office, subject to the action of the Democratic primary on Saturday, May 7:

For Congress, 17th District, ROY SKAGGS of Abilene

For Tax Assessor-Collector:

L. B. McNEIL

LARRY L. HOLMES

A. J. FRENCH

For Commissioner, Precinct 1:

JOHNIE AGNEW

BURNIA REID JR.

CHILDREN CONFUSED.

In the recent political announcement story carried by The Herald for A. J. French if the Tuxedo community, the paper inadvertently listed the daughter of Mr. and Mrs. A. B. French as the candidate's girl. The A. J. Frenchs have two boys, Randy and Mark. Our apologies.

Hamlin Community Gives More Than One-Third of Christmas Seal Revenue

With Hamlin giving more than one-third of the total money raised in the recently conducted Jones County Christmas seal sale, the county executive committee of the Jones County Tuberculosis Association this week tabulated a total of \$1,807.75 for the drive.

Officials of the county group held a regular business meeting Monday evening in the Farmers & Merchants National Bank at Hamlin. John C. Bryant of Hamlin, president of the association, presided.

By communities the contributions through the Christmas seal campaign were tabulated as follows: Aspermont, \$278; Avoca, \$35; Hamlin, \$737.75; Hawley, \$42; Lueders, \$94.50; and Stamford, \$501.50.

Officers and directors ask The Herald to extend thanks to each and every person for their support in the campaign to stamp out tuberculosis.

berculosis in our county, state and nation. The drive is not yet closed, they point out, and anyone wishing to contribute may still do so.

The county association has paid for TB patch tests given in all schools of the county and for 40 x-rays given to people with TB or the possibility of having TB. Two people from Jones County have been placed in the Texas Tuberculosis Sanatorium at Sanatorium, Texas, through assistance of the county unit.

Members of the board present for the meeting were John C. Bryant, Mmes. A. J. French, A. A. Hackley, E. M. Wilson, Ona High, Clyde Lewis, W. L. Hunter Jr. and Misses Lennie Greenway and Irene Stewart.

Dan Rowland Mends After Lung Surgery

Don Rowland, Hamlin young man who is a pharmacy student at the University of Texas in Austin, last Tuesday underwent major surgery for a lung ailment in an Austin hospital. He was doing well at week's end and was to be released Monday. Don and his wife, the former Patsy Maberry, are living in Austin.

Parents of Don, Mr. and Mrs. Brad Rowland of Hamlin, were present for the surgery. Mrs. Rowland's parents, Mr. and Mrs. Luther Maberry, went down Wednesday.

We understand that one of the most popular after-dinner speeches a man can make is, "I'll do the dishes, dear."

Fools and little dogs are ladies' play-fellows.—Brian Melbancke.

Attendance at City's Sunday Schools Goes Past 1,300 Sunday

Total attendance at the Sunday Schools of the 12 reporting Hamlin churches Sunday registered a decided jump over the previous week. The 1,336 total was 98 more than for January 21 and was 287 more than the year ago total of 1,049.

Attendance, by churches, for January 24, January 31 and a year ago follows:

Sleep 8 Hours—Wake Up Tired?

Discover the Wonderful Blood-Strengthening Action Of This Women's Iron Tonic!

After a good night's sleep, do you still feel tired out? Often this run-down feeling is due to "Iron-Hungry Blood" (simple iron deficiency anemia). Then it's needless to suffer such awful weariness.

Take Lydia E. Pinkham Tablets, only iron tonic made especially for women. Rich in iron, Pinkham Tablets start to strengthen your blood within one day! Thus quickly help build rich, red blood... to restore strength and energy so you feel fine again fast! If your blood is so starved for iron that you just drag through the day, get Pinkham Tablets from drug stores. See if you don't soon feel like a "new" woman again.

FEMALE AILMENTS—Lydia E. Pinkham's Vegetable Compound (Liquid) also brings blessed relief from discomforts of change-of-life, monthly pain.

BCD BANQUET

(concluded from page one)

Newberry is the quarterback. The vice presidents and others officers are the other backfield men; the directors are the linemen; the committeemen are the reserves; and other members are the backers and rooters.

Wesley Nail was master of ceremonies of the annual affair.

Visitors attended the banquet from Sylvester, McCaulley, Stamford, Abilene, Aspermont, Haskell, Roby, Brownwood, Rotan, Anson and Lubbock.

The meal was served by women of the school cafeterias, and girls of the homemaking department of Hamlin High School acted as waitresses. Dinner music was provided by Carol Jo Simpson, HHS senior at the piano.

Following the invocation by Rev. Edmund W. Robb, pastor of the First Methodist Church, Mayor L. H. McFarland extended the official welcome. W. T. Johnson introduced guests.

Mrs. Willard Maberry, director of music in the Hamlin schools, presented five eighth grade girls in three vocal numbers.

Fred B. Moore Jr., retiring BCD president, presented the retiring directors. Vice President John C. Bryant presented the new directors and formally installed B. V. Newberry as new president of the civic organization. Newberry accepted the post with a few remarks. W. T. Johnson then presented plaques of recognition to 1958 BCD President Carl Murrell.

CAMP FIRE GIRLS SELL.

It's Camp Fire candy time! When a girl approaches your door step, give her the key to summer camp by buying a box of candy. Help the Camp Fire Girls to hit the trail to camping, group activities, sleeping under the stars, swimming, useful arts and crafts—all designed to make our young people more useful and reliable citizens in our communities. The success of the sale depends on the box of candy you buy!

and 1959 President Fred B. Moore Jr.

Board of Community Development Manager Orville D. Roland presented the principal speaker. Benediction was offered by Rev. T. M. Harrell, pastor of the North Central Avenue Baptist Church.

As a sidelight of the banquet an impressive display of Hamlin community enterprises, showing products, payrolls, taxes and other pertinent statistics was arranged on the west side of the big gymnasium. The display was arranged by Willard Jones.
